

Year 2 Autumn Newsletter

Mrs Pope

Welcome to Year 2,

I hope you are looking forward to the year ahead. The children are going to learn lots of new, exciting and challenging things whilst having fun along the way!

Here are just a few notices and some information -

PE will happen on a Monday and a Tuesday each week, please ensure both indoor and outdoor PE kits are in school on these days.

Homework will be sent out weekly (excluding half-terms). This will consist of one piece of Maths and English each week, the homework will consolidate what the children have been learning in lessons. Homework will be given out on a Friday and is expected to be back in school by the following Thursday, allowing me time to mark and give feedback if needed.

Topics will change on a half-termly basis. For the first half term, our topic will be 'The Scented Garden'. The children will be learning about plants, trees and different types of gardens.

Trips will be planned in advance, giving you plenty of notice for costings and details.

Any other information: On a Thursday afternoon, the children will be enjoying Art and Design Technology with Mrs Hodgkins.

Mrs Walters will also be working in Year 2 to support the children.

I am looking forward to teaching your child this year and I am sure we will have a fantastic year. Please do not hesitate to see me with any matters/issues/queries you may have throughout the year.

Thank you,

Mrs Pope
