

### Year 1 Trip to Blists Hill Victorian Village

Year 1 had a fantastic day at Blists Hill earlier this week, acting like real time travellers and transporting back to Victorian times! They had a lesson from a Victorian teacher back in 1900, wrote on blackboards and even practised counting on an abacus. After lunch they explored what the Victorian village had to offer, visited the bakery, candle dipping shop, the sweet shop, the grocers and had a sing along in the local pub! All of the children behaved exceptionally well whilst representing St Paul's, well done Year 1!
