

## Young Voices

A big thank you to the staff and children who took part in the Young Voices concert on Friday last week. Feedback from parents and staff was excellent. Everyone who went thoroughly enjoyed themselves and the children were a credit to the school.

A very special thank you to Mrs Clews and Miss Leadbeatter for all of their hard work in preparing for the concert. They have given up a lot of their time to hold after school rehearsals, and without such dedicated staff, events like this would be unable to go ahead.

Below are some memories of the day:
