

Young Voices 2018

On Tuesday 9th January Year 4 children went to the Genting Arena in Birmingham to perform in the Young Voices Concert. This is a fantastic annual event where the children get the opportunity to be part of the '*largest school choir in the world!*' The children had been rehearsing a range of songs to sing during the autumn term and had an extremely memorable time performing them with many other schools from across the Midlands.

Special thanks go to Mrs Clews, Miss Barratt, Mrs Langford and Mrs Guest for both teaching the children the songs and for accompanying them on the day.
