

# Billy Bob Buttons

The children in Key Stage and 1 and Key Stage 2 were treated to a visit by author Billy Bob Buttons on Tuesday 17<sup>th</sup> October. Billy Bob Buttons has written many books and it was great to have a 'real-life' author in school sharing part of the writing process with the children. The learned all about how to create characters and settings. He also answered all of their many and varied questions and then stayed on to sign copies of his books. Thank you to all of the parents who contributed to this visit because without contributions these curriculum enhancing activities would be unable to take place.
