

Children in Need 2017

On Friday 17th November we all came to school dressed in our favourite pyjamas to raise money for Children in Need. We all looked great and we also took part in some different fund raising activities. The School Council decorated cakes to sell and with the help of Mrs Langford they also organised some games to raise extra money. We loved playing Guess the Member of Staff but it was quite tricky because they've all changed so much since they were babies!

The cakes all sold at playtime!

The School Council decorated some cakes to sell.
